TOURIST ATTRACTIONS

1 CITY CENTRE

The central city core of Novi Sad with Liberty square, Zmaj Jovina and Dunavska streets is an exhibition pavilion of various architectural styles. Buildings and churches, landmarks of epochs and historical events, as well as passages that hide shops, restaurants, pastry shops and craftshops stand powerfully in the heart of the city.

2 PETROVARADIN FORTRESS

Petrovaradin Fortress is one of the largest, best preserved and most complex fortresses in Europe, a true masterpiece of military architecture of the 18th century. The most attractive piece of architecture is embodied in the Underground military galleries, a complicated defence-communication and mine system of corridors spreading in the length of more than 16 kilometres. Nowadays, Petrovaradin Fortress represents the venue complemented by City Museum of Novi Sad, Tapestry manufacture institution "Atelier 61", Planetarium, numerous art studios, restaurants and cafes.

3 NOVI SAD ON THE DANUBE

The Danube is the main street of Novi Sad around which the cores of Petrovaradin and Sremska Kamenica are grouped on the right Srem bank and Novi Sad of Bačka, on the left bank of the river. The City beach "Strand", weekend resort of Ribarsko Ostrovo and Kamenjar are traditional sites on the Danube for relaxation and leisure.
